-

I am pursuing a career in web development because I love problem-solving, web design and continuous learning. I am passionate about helping small business owners adapt by creating an online presence.

I am a quick learner, exceptionally organized, and have great interpersonal skills. Working in restaurants has made me highly adaptable to fast-paced, collaborative, and creative environments.

SKILLS

HTML5, CSS, SCSS, JavaScript, React.js, Document Object Model, APIs, Node.js, Express.js, Web APIs, User Authentication, GitHub, Firebase, Jira

EXPERIENCE

Web Development Teaching Assistant | BrainStation

FEBRUARY 2021 - MAY 2021, REMOTE

- Responsible for code reviews to grade and provide feedback for students' weekly submissions, focusing on code quality, comprehension and execution, and visual design.
- Provided group and individual guidance through daily stand-ups, open-studio sessions, and one on one meetings with students.
- Performed live-coding demonstrations and whiteboarding sessions to help students grasp a deeper understanding of concepts.

Owner | Edesia Eats

MARCH 2020 - NOV 2020, OTTAWA, CA

- Started a subscription meal kit delivery service that involved establishing clientele and handling production logistics.
- Coordinated and delivered customized orders to 50+ clientele across the city.

Bakery Assistant Manager | The Drake Commissary

MAY 2017 - NOV 2019, TORONTO, CA

- Managed and trained a team of four people.
- Demonstrated problem-solving skills by addressing all clients' inquiries in a timely manner.
- Lowered production costs by sourcing cheaper products and improving team efficiency with training.

Baker & Head Pastry Chef | The Dusty Knuckle

APRIL 2016 - MARCH 2017, LONDON, UK

- Spearheaded the development of a pastry division.
- Oversaw all division costs and production logistics.

EDUCATION

BrainStation | Diploma, Web Development

NOV 2020 - FEB 2021, ONTARIO, CA

'Women in Technology Scholarship'

Le Cordon Bleu | Le Grand Diplôme, Culinary Arts Training

OCT 2014 - JULY 2015, OTTAWA, CA

Recipient of the 'Félicitations du Jury' award, a recognition of overall achievement and excellence throughout the program.

Queen's University | Bachelor of Science, Honours in Biology

SEPT 2010 - JUNE 2014, KINGSTON, CA
